VOL. XVIII. NO. 142. CHICAGO, FRIDAY, JUNE 14, 1912. PRICE 5 CENTS

SCORES FOR A NEW OWNER

FREDERICK L., PURCHASED BY H. C. HALLENBECK, EQUALS LATONIA TRACK RECORD.

Colt Sold for $5,000 Before the Race, Runs Five-Eighths in :59—C. F. Buschemeyer Ready to Match Hawthorn Against All Comers.

Cincinnati, O., June 13.—H. C. Hallenbeck added Frederick L. to his establishment this morning and that colt won the chief race of the Latonia card this afternoon in commanding fashion, incidentally equalling the track record of :59 for five furlongs. The reported price for the colt is $5,000 and a percentage of what he may win in the Harold Stakes on Saturday next. The colt's victory was not without a bit of ill-luck for the Hallenbeck stable, as it deprived it of the services of jockey Shilling for the next six days. The rider was suspended by the starter as a result of his overanxiety to get away from the post.

Big fields of ordinary class horses furnished all the contests during the afternoon except in the second race, in which several highly tried juveniles contested. The sport was excellent and the finishes exciting.

The public fared comparatively well, as three of their choices scored. The principal upset of the afternoon came in the fifth race, in which Husky Lad was returned the winner. In his preceding start he finished a distant last, but he was in a running mood this afternoon and easily disposed of his opposition. He was almost neglected in the betting and those who had the temerity to back him were rewarded to the extent of over 46 to 1 for their money.

The easterners put over a good one in the fourth race, which Impression won by a narrow margin over Detour. T. C. McDowell's Dorlon graduated from the maiden class in the opening dash. In the third George J. Long's Sir Giles just managed to get up in time to take the purse from Miss Thorpe, with the heavily supported Theo Cook third. Shilling's superior riding ability was responsible for Colston's victory over Effendi in the closing dash.

C. F. Buschemeyer, owner of Hawthorn, this afternoon issued a challenge to others who think they have good juveniles and anounced his readiness to start Hawthorn in a match or sweepstakes against any of the supposed cracks. H. C. Hallenback is not averse to pitting Hobnob against Hawthorn, and trainer Keene, on behalf of Helios, also intimated this afternoon that he was willing to take another crack at Hawthorn. In all probability a special sweepstakes will be arranged for next week with the above three and possibly one other to go, the owners making a contribution of $500 each, pay or play, and the association adding $1,500. All the juveniles named, with the exception of Hobnob, are engaged in the Harold Stakes to be run Saturday.

Jockey Loftus left tonight for Hamilton where he will rejoin his contract employer, J. B. Respess.

According to report, the telegraph wire rule will be rescinded at the meeting of the Kentucky State Racing Commission on Monday next. Among other rules that will be introduced then is one defining the maximum amount that the judges and starter may impose on offenders. The fall dates will also come in for discussion.

Jockey Jahnsen has contracted to ride for James Griffin for the remainder of the season. This rider was suspended for six days by the starter in the first race.

The horses owned by C. T. Worthington, have been turned over to James S. Everman to train.

W. Woodard has purchased McIvor from J. Walters.

Sprite was worked a mile and an eighth this morning in 1:54, showing extreme speed throughout. The first mile was done in 1:40. Her good trial is puzzling to her trainer in view of her recent poor showing in the Latonia Derby.

Among this morning's work-outs were the following:

Belle Nelson—Three-quarters in 1:22.
Casey Jones—Three-quarters in 1:16.
Cherryola—Mile in 1:45.
Cockspur—Three-quarters in 1:15⅕.
Free Lance—Mile in 1:42⅗.
Hawthorn—Three-quarters in 1:15⅗.
Hobnob—Half mile in 48⅗.
Ilma—Mile in 1:51⅗.
Leopold—Mile in 1:46.
Mark A. Mayer—Three-quarters in 1:16.
Melton Street—Three-quarters in 1:21.
Nonpareil—Mile in 1:46.
Puck—Half mile in 57⅗.
Rossini—Mile in 1:45.
True Blue—Mile in 1:53.
Yorkville—Five-eighths in 1:01⅕.

NOTES OF THE TURF.

The horses of Charles W. Clark will be raced at Vancouver, it is reported from Coeur d'Alene.

G. J. Long's good mare, Ignite, died shortly after foaling Semprite, which won a two-year-old race at Latonia Wednesday.

E. S. Gardner still has a dozen thoroughbred mares on his Avondale Farm in Tennessee. Most of them were mated with The Commoner this season.

While at Idle Hour Farm recently, Barney Schreiber had the stallions, Jack Atkin and Sain, his sire, weighed. Jack Atkin weighed 1,200 pounds and Sain 1,160.

At the Lewes, Eng., June meeting, Tuesday, J. B. Haggin's three-year-old chestnut colt, Fermor, by Watercress—Florence Breckenridge, won a maiden selling plate of $500 at a mile, with Lancastrian second, Isabelita third and seven others unplaced.

The hearing in the case of Paul Shane, charged with violating the anti-bookmaking law at the United Hunts' recent meeting at Belmont Park Terminal has been postponed until next Tuesday by Justice of the Peace Charles F. Gittens, sitting at Hempstead, L. I.

Herman B. Duryea is reported to have engaged Frank O'Neill to ride Sweeper II. for the rest of the season. Danny Maher had the mount on the colt when he ran unplaced for the Epsom Derby. This seems to bear out a story to the effect that there was much dissatisfaction with Maher's handling of Sweeper II. in the Derby.

GOOD PROSPECTS FOR HAMILTON MEETING.

Hamilton, June 13.—The spring meeting of the Hamilton Jockey Club opening next Saturday will be a brilliant one, particularly from a racing standpoint. Never were there so many horses quartered in and about the course, and many will be seen for the first time this season on the Canadian circuit. Among the most prominent stables that have come from Kentucky are those of J. B. Respess, Woodford Clay, Gallaher Bros., and W. W. Darden. The Derby, the feature of the opening day, gives promise of bringing out a good field. Among the probable starters are Heresy, Brosseau, Colonel Holloway, Flamma, Buckhorn, Light O' M' Life, Jenny Geddes, Froglegs, Hamilton, Penobscot and Commoner's Touch. All that is required is fine weather to make the meeting a huge success.

TWENTY LEADING AMERICAN SIRES FOR 1912

Last year Star Shoot was the premier sire of the United States with a total of $53,895 won by his progeny. The racing of the month of May had the result of advancing him into the leadership again with an advantage of $3,215 over Hastings, which up to last month had been at the head of the stallion list. As Star Shoot now has $26,960 to his credit, it seems probable that the end of the year will find him credited with a total considerably greater than that of last year, whether he finishes first or not. The good racing of Helios, Star Charter and Any Port at Lexington, Louisville and Toronto was the means of his advancement.

Hastings figures as a good second. He is somewhat at a present disadvantage in that his fast two-year-old son, Hawthorn, seems to have partially lost form, and does not now appear the certain winner of the Harold Stakes and the Cincinnati Trophy that he did a short time back. Still he might pull through, anyhow, and in that case Hastings would be pressing Star Shoot hard. Priscillian is in two good stake races at Hamilton and not improbably may win them both. There is no keeping Cesarion away from the front in this list and he is third with the speedy two-year-old Forward as his chief representative. In fact, it is noticeable that the best money winner of each of the first four sires in the list is a two-year-old. Marta Santa is doing well this year and so is Yankee, both having some capital two-year-olds in action. The standing of the twenty leaders to and including May 31 is as follows:

ALAN LAYERS ARE HARD HIT

BOOKMAKERS AT WESTERN TRACK HAVE AN UNPROFITABLE EXPERIENCE.

Five Favorites Score Over Muddy Course—Two Horses Change Hands as Result of Selling Race Run-Ups and Another Is Bid In.

Spokane, Wash., June 13.—Five favorites were returned winners this afternoon at the Alan course and the layers suffered a heavy loss. Dutch Courage, a maiden three-year-old, received a ride at the hands of jockey Hill today that was in sharp contrast to Rooney's effort with him in his previous start and he won easily after being outrun in the early part of the second race by Hugh Gray. C. W. Pelham scored twice, with Emerald Isle and Henry Hutchison.

Jockey Buxton, who has been riding in good form here, leaves tonight for Hamilton, where he is engaged to ride for R. E. Watkins.

Selling race troubles broke out afresh today and several horses changed hands. Dutch Courage was bid up from $400 to $700 by H. G. Bedwell and sold to that owner. Emerald Isle was the medium of an advance from $400 to $1,100 by J. E. Bonnefield, and went to the latter's stable. Henry Hutchison, entered for $400, was advanced to $600 by H. G. Bedwell, but was retained in the Pelham stable.

SUCCESS OF AMERICAN HORSES ABROAD.

Whisk Broom's Grand Race at Hurst Park—Statistics of Racing in England.

London, June 1.—American-bred horses have played an important part in our racing this year, and if what we hear concerning the excellence of some of the Whitney two-year-olds yet to appear in racing is true, may be destined to carry off a number of our leading events to come. The striking victory of Sweeper II. in the Two Thousand Guineas is necessarily the chief item to the credit of the American horses, but in a way the triumph of Mr. H. P. Whitney's exceedingly handsome horse, Whisk Broom, in the Victoria Cup at Hurst Park was a performance to be proud of. In the Kempton Park Great Jubille Handicap, at a mile and a quarter, he had effectually swept away the prevailing opinion that he could not stay beyond a mile in good company by carrying heavy weight into second place behind the lightly weighted Bachelor's Hope, while in the case of the Victoria Cup he took up 128 pounds and made hacks of a big band of the fastest horses in England at seven furlongs. This race took place last Tuesday at Hurst Park and was of the net value of $5,626 to the winner. Prince San challenged for the lead in the straight and, finding it beyond his power to pass Whisk Broom, reached over and bit at the latter savagely several times, but Whisk Broom quickly drew away out of danger and won with all ease by a length and a half from Prince San, which carried but 103 pounds. Eton Boy was third three lengths behind Prince San, and last year's winner, Spanish Prince, 127 pounds, was a bad fourth. Great Surprise, St. Nat, Braxted, Uncle Pat and Cyllius were other extremely fast horses that started in this race. Trainer Joyner's well meant endeavor to pull off a double for Mr. Whitney went wrong in the race succeeding the Victoria Cup, when his colt, Flanders, ran second to Major Eustace Loder's Spearmint colt, Lance Chest, in the rich Hurst Park Yearling Plate at six furlongs. The Whitney stable is decidedly popular and trainer Joyner was warmly congratulated over the first slice of real good luck that has fallen to it in a long time. However, with Borrow showing signs of regaining his brilliant form as a two-year-old, while Bashti and Iron Mask are training finely, it is probable that others of the elder division besides Whisk Broom will presently make contributions worth having to the Whitney stable earnings.

In the Peter Pan—Mintcake colt, Castleton, Mr. James R. Keene possesses one that is obviously of rare merit, but unluckily he is not in the Derby. He has started twice and won both of his engagements in a canter. Good judges entertain the opinion that Castleton may readily be the best three-year-old of the year, but he is not engaged in many races that would test this opinion. He is nominated to the Grand Prix De Paris and presumably will be especially prepared for this great race, an event that Mr. Keene won in 1881 with that great horse Foxhall, which subsequently won the Cesarewitch and Cambridgeshire, the latter under record weight for a three-year-old. Castleton is also in the Fiftieth New Biennial Stakes and the Gold Cup at Ascot, King George Stakes at Goodwood and Champion Stakes at Newmarket.

The death took place last Wednesday at the Joyenval Stud, France, of the stallion Le Hardy, the property of M. C. Blanc. He was the sire of Rutz, which won the Prix du Jockey Club (French Derby) in 1902 for M. C. Blanc. He was also the sire of Turenne, winner of the Grand Prix de Trouville-Deauville and of Grill Room, winner of the Grand Prize of Nice.

Lord Derby's great horse Stedfast had a narrow escape from disaster at Manchester. After walking over for the Rothschild Plate, the last race on the card, he started for a gallop round the course in company with a hunter. As the pair passed the stands at a good pace a great shout went up from the Stanley House head lad, who had noticed that some workman had put ropes across the course, and they were fixed. The man who had put up the ropes heard the shout in time, and they were slackened to the level of the ground in the nick of time, the horses going over them safely. As the ropes were put up at a sharp bend, where it was impossible for the riders of the horses to have seen them, the imminence of the danger will be seen to have been obvious, and it was a lucky thing that the accident was averted.

The death took place at Beverley recently of Isaac Scott Marston, son of the old-time North-country jockey, Job Marston, who rode Sir J. Hawley's Teddington, the winner of the Derby in 1851, and also steered Voltigeur the following year, when he was returned the winner of both the Derby and the St. Leger. The deceased's grandfather was "Old Job" Marston, the trainer of the renowned Nancy, who as a three-year-old in 1851 won the Chester Cup, Goodwood Cup, and other prominent races. For some time past Marston had been in ill-health. He was a native of Middleham, and was in his sixty-fifth year.

Winnie O'Connor accomplished a double event in Berlin by winning the Berlin Grand Steeplechase at Karlshorst on Tuesday, and the International Hurdle Race at Grunewald on Monday, on M. de Mumm's Trainon III. and Clin d'Eil respectively.

Mr. Peeper, since he last ran in public, has been purchased privately from Mr. H. de Courcey Forbes by Mr. J. S. Austen, in whose colors the American-bred colt ran in the Castle Irwell Handicap at Manchester. Mr. Austen, who is said to have paid over a thousand pounds for the three-year-old, has taken over the colt's Epsom engagements.

An American owner, H. B. Duryea, is now at the head of affairs in our list of principal winnings

SUCCESS OF AMERICAN HORSES ABROAD.

owners. If it should be his good fortune to carry off the near-at-hand Derby with Sweeper II., he will not be dislodged from his agreeable position for some time to come, if at all. Sweeper II. has other important engagements, of which he should at least win his share. Thanks to Tagalie's success in the One Thousand Guineas, W. Raphael is second in the list to Mr. Duryea. Lord Derby is far away from the prominence attaching to his stable last year, but when Stedfast and other stars in his possession come into action, it is more than probable that he will quickly make important advancement. It is understood that Stedfast will make his debut for 1912 in the Coronation Cup at Epsom. At present the accounts of the owners whose horses have won $5,000 or more are as follows:

Sweeper II. leads the winning horses by reason of his fine victory in the Two Thousand Guineas. Tagalie is next to him, with Cylgad following, all three-year-olds. Two older horses, Bachelor's Hope and Long Set, follow and the best two-year-old of the year so far, the fast filly, Bonnie Bird, comes next as the leader of her age. The horses which have won $5,000 or more are:

The customary struggle between Frank Wootton and Danny Maher for supremacy in riding honors is so well developed that on and including May 24, they were tied with thirty-one winning mounts each. Wootton has grown so that he no longer possesses the advantage of being able to ride at lower weight than Maher and these two skillful horsemen will ride on terms of equality in that respect this year. J. Clark is riding in excellent form and is third to the two stars of the saddle named. The jockeyship record is:

The expatriated sire, Cyllene, is having fine revenge for having been banished to South America and is now well in the lead of the successful stallions of this year, Tagalie, Cylgad and Lycaon having rendered him excellent service. The American sire, Broomstick, is a good second to him and is bound to figure prominently in our sire list of 1912, having Sweeper II., Whisk Broom, Kempion and some good-looking two-year-olds to do battle for him. To date the stallions with $10,000 or more to their credit through the racing of their progeny are:

OKLAHOMA TRACK IN POOR CONDITION.

Oklahoma City, Okla., June 13.—Despite threatening weather, a crowd of about 3,000 saw today's racing. A heavy rain that fell last night made the track difficult for the horses to run over at top speed, owing to the frequency of holes. In the third race Lew Hill was well backed, and stepped in a hole rounding the turn out of the back stretch, unseating jockey N. Moore. The latter suffered a broken collarbone and will not be able to ride again during this meeting.

The sixth race, the feature of the card, went to L. M. Eckert, the second choice. Engraver, the favorite, stumbled and went to his knees entering the stretch, but for which he would have won.

Jockey E. Smith carried off the riding honors, piloting two firsts and a second out of three mounts.
